

Join us for an Eastern Iowa NUCA Night!

Thursday, September 22, 6 to 8 p.m.

Ox Yoke Interstate I-80 Exit 225, 2206 U Avenue Williamsburg, IA 52361

In an effort to continue to educate our members, we are planning several regional seminars throughout the year called NUCA Nights. These are industry-related presentations followed by a question and answer session.

On September 22, representatives from Howard R. Green and Shive Hattery will entertain questions from our members. Possible topics include (but are not limited to): what contractors are seeing during the bidding and building process that can be improved with regards to specifications, qualifications, and design.

We ask that you send questions ahead of the event: What are you currently seeing with bids? Is there a specific situation that you're looking for clarification on?

Please e-mail your questions to nucaofiowa@yahoo.com no later than Monday, September 19.

COST: \$15/person

Includes presentation and buffet-style dinner with the signature fried chicken from Ox Yoke Inn
